## From the Desk of Olga Reuvekamp

Fall 2018 is a special one for MARR, with the kickoff of Class X happening in November. Our team is at full speed preparing the first season's seminars and is looking forward to working with the thirty selected participants. Many graduates of MARR are helping out with advising or as hosts, presenters and directors on our board. There is a special role for our significant others in the MARR experience as well. The robust nature of the leadership program requires a lot from our participants, as well as from those who keep everything going while we are in session. A special opportunity for MARR alumni spouses to share their stories with current loved ones is held at the Kickoff seminar in Willmar on Thursday November 8th from 1:30pm - 2:00pm. Spouses of MARR alumni are welcome to join and share their experience and tips with the spouses of Class X. Please contact Olga by October 26 to sign up.

The first opportunity to meet Class X will be on Thursday November 8th at the leadership banquet in Willmar. Special guests are leaders from the Minnesota Turkey Growers Association and our keynote speaker is Glenn Leitch, Hormel Exec. VP Supply Chain. There will be a social at 6:00pm, followed by dinner and a program at 7:00pm at The Oaks Eagle Creek in Willmar.

Join us! Class X participants do not need to register, as the event is included in the two day seminar.

## From the Desk of Eriks Dunens

Summer has passed and it was great getting to see so many alumni engaged in different ways to support MARL. Alumni contributed to recruitment of Class X, interviewing candidates, and doing outreach and fundraising through FarmFest and the annual golf tournament. We hope to see many more of you at our seminar banquets that launch in November with Class X.

With autumn approaching in an election year, I encourage you to put your leadership into practice to support a core practice of our democratic system. Whether in canvassing for a specific candidate or volunteering as an election judge, there are many opportunities to participate. Here are three more suggestions to engage in the process:

1. Encourage voting – this may be through registering first-time voters or helping people register to vote early or absentee by mail
2. Get informed on local issues and elections – the local level is where leaders can make the most impact so know what's going on at home
3. Educate on issues and candidates – engage others in the process through conversations that provide credible information

Best regards,  
Eriks Dunens

## MARL Mentions:

**Pat Troendle** (Class I) and **Tom Hayes** (Class IV) and families were recognized as Farm Families of the year by the University of Minnesota. Congratulations!

KSMQ has wonderfully featured MARL Class VIII's Vietnam Study Trip in their documentary about Minnesota farmers and their connections to the Southeast Asian country. Thanks to Lona Rookaird (Class VIII) for sharing photos, Compeer Financial for facilitating space, and Dan Hoffman (Class IV) for connecting KSMQ and MARL. **Mike Landuyt** (Class III) and family were awarded by the National Cattlemen's for best environmental stewardship practices in beef industry in 2018. Congratulations! [Read more...](#)

Trade wars, tariffs, and the impact on local Minnesota businesses. **Steve Hoffman** (Class IX) was interviewed by Minnesota Public Radio on the pain felt by the dairy farmers. [Read more...](#)

Thank you, golf committee chair Gary (Class V) and Yvon Lager, Reuben (Class VI) and Judy Bode and sons, Jill Manthei and Katie Schneider (Both Class IX), Christy Kallevig (Co-Program Leader), and all sponsors and attendees for a great day of golf, while supporting MARL at the 7th annual MARL Golf Tournament.

Thank you to Bruce (Class V), Matt (Class X) and the Tiffany family from Redwood Falls for opening up their farm and home to host and organize a picnic for MARL members and friends on a beautiful summer evening, as well as a board meeting. Thank you to Mike Liepold and other volunteers for helping with setup and clean up.
